GARDENING

"FoxFarm products help ensure a healthy future for us all!"

FoxFarm BIG BLOOM® is a carefully selected blend of natural and organic fertilizers formulated to encourage multiple blooms and seed formation. An environmentally friendly alternative to synthetic chemical fertilizers, BIG BLOOM® is a potent, fast-acting source of nutrients for plants.

APPLICATION: Formulated for indoor and outdoor potted plants, roses, vegetables, herbs, flowers, fruit trees, berries, flowering shrubs, fuchsias, African violets, orchids, gardenias, hibiscus, ornamental flowering trees, azaleas, rhododendrons, annuals and perennials.

EARTHWORM CASTINGS — Nature's Finest Fertilizer! Many FoxFarm products contain a generous amount of this rich, organic material that plants thrive on.

WHAT IS BAT GUANO? Since ancient times, bat guano has been known for its powerful effect on plants. The fossilized guano in FoxFarm BIG BLOOM® is mined under close supervision to protect bats and their environment.

GUARANTEED ANALYSIS

AVAILABLE PHOSPHATE (P ₂ O ₅).....	0.50%
SOLUBLE POTASH (K ₂ O).....	0.70%
Iron (Fe).....	0.10%

DERIVED FROM: Earthworm Castings, Bat and Seabird Guano, Rock Phosphate, Sulfate of Potash Magnesia, Kelp.

Shake well before using

DIRECTIONS: For best results feed with FoxFarm liquid fertilizers at least once per week. BIG BLOOM® is an all natural flowering fertilizer that is gentle enough to use throughout all stages of plant growth. BIG BLOOM® is easy to use. It can be added to your watering container or used with a no-clog hose end sprayer, siphon mixer, or through drip irrigation. Always adjust fertilization rates to plant responses.

General Feeding 4 tablespoons per gallon of water every other watering.
Heavy Feeding 1/2 cup per gallon of water once per week.

Supplemental Foliar Feeding..... 1 tablespoon per gallon of water. Apply once per week during early stages of plant growth. Do not apply while plants are in direct light.

Seedlings and Transplanting 1 tablespoon per gallon of water every other watering.
