KM 650 50 Lb Bag

Case Pack 6

Case Pack 4

Case Pack 1

Neptune's Harvest Organic Kelp Meal is from *Ascophyllum Nodosum*, which is widely recognized as one of the finest marine plants available for agriculture today. Kelp is a natural and cost effective enhancement to any soil and fertilization & conditioning program. Kelp Meal contains minerals, carbohydrates and amino acids and will add organic matter to you soil and help it retain moisture by holding 50 times its weight in water.

Kelp can be added to potting soils, seed & transplant beds and as a composting material.

Kelp contains minerals, carbohydrates and amino acids.

Kelp will add organic matter to your soil and helps it to retain moisture.

Kelp will enhance healthy root growth.

Kelp will keep your lawn healthy and green, even through drought periods.

Kelp used as a feed supplement improves the overall health and performance of animals.
