

ANTIXX

LIQUID ANT BAIT

A high performance ready to use ant bait

Use with any tamper and spill proof bait station

ANTIXX LIQUID ANT BAIT is a patented liquid ant bait for indoor and outdoor use. **Ants carry bait back to the colony to kill the colony and queen.**

Mode of Action

Spinosad has a unique mode of action that excites the insect nervous system, which leads to involuntary muscle contractions, tremors, and finally paralysis and death. Spinosad has both contact and ingested insecticidal toxicity.

Application Information

Set empty bait station beside ant mounds and nests, ant trails, or where ants crawl before filling with ANTIXX LIQUID ANT BAIT. Follow the filling instructions for the bait station sold separately.

Foraging Carpenter Ants

Argentine Ants

Foraging Fire Ants

Use Sites
