- 0.5% Yucca Extract (Derived from Yucca Schidigera)

Neptune's Harvest Rose & Flowering, is designed for use on roses and flowers but can also be used on trees, shrubs, vegetables and house plants. It will provide necessary nutrients for tolerating environmental conditions such as high temperature and drought while offering improved vigor, color and root density. Made with fresh North Atlantic Fish and Seaweed, we recommend using *Neptune's Harvest Rose & Flowering* for all of your gardening needs.

NET WT. 9 lbs (3784 ML)

Neptune's Harvest Rose & Flowering

Neptune's Harvest Rose & Flowering

Is intended for Roses and Flowers. It may also be used on trees, shrubs and vegetables.

Directions: Shake well before use. Apply only as directed.

Roses and Flowers:

Use 1/8 cup (1 ounce) per gallon of water every 1 – 2 weeks.

Trees, Shrubs and Vegetables:

Use 1/8 cup (1 ounce) per gallon of water every 1 – 2 weeks.

House plants:

Use 1 tablespoon per gallon of water. Feed every week. Water so that diluted fertilizer does not remain in drip dish.

Seed germination:

Soak in solution of 1 teaspoon per cup of water.

Never Store Diluted Fertilizer.

CAUTION: Keep out of reach of children.

Do not take internally.
